

Holly Hill's Luminary Lights and Lanterns

The Town of Holly Hill will hold a Lighting of Luminaries during the Holly Hill's Christmas Festival on Friday, December 6, 2013. This will be a meaningful tribute during the holiday festivities to remember our loved ones who may not be with us at this most precious time of the year, or a way to honor loved ones who surround us with joy!

For a \$5.00 donation per luminary, you may have a luminary lit for a family member or friend alongside the railroad track.

For \$10 per sky lantern, you may have a lantern lit and float off into the heavens in honor or memory of someone. Sky Lanterns (sometimes called wish lanterns) are basically small, translucent hot-air balloons. They have a small fuel source in the middle that, once lit, will lift the lantern slowly into the sky with a soft glow. These lanterns are made with fire-retardant, 100% biodegradable material. These will be lit, weather/wind permitting Friday night at 7:30 pm. There are only 40 available, so reserve yours today!

These donations will help fund our festival.

This has become a meaningful tradition in Holly Hill! Thank you for your participation and we look forward to hearing from you.

The form is on the reverse side of this flyer.
